

# 6 THINGS YOU MUST NEVER FORGET TO DO AT THIS TIME

ROMANS 13:11-14

- OLUSEGUN KOLADE

## WAKE UP.

So many people have slept Spiritually, many are sleeping and many will still sleep.

This is not the time to sleep Spiritually, this is the time to Stay Awake.

## PUT ON

Light is an armor, to send the devil and his agents away. This is not the time to hide your identity, it is the time to shine our lights. Stop hiding your identity, let others see CHRIST in you.

## PUT ON CHRIST

Jesus is only coming for those whose life doesn't contradict their profession. He is coming for those who are living a CHRISTLIKE life.

Let your life make CHRIST more visible!

## CAST OFF

Like an old garment, we must be intentional about our bad conducts, behaviors and unbiblical attitudes. Friends who refused to change

## WALK DECENTLY

Our walk is our day to day life. We must be mature in our approach and attitudes. Decently, properly and rightly. Lust, strife, envy (both visible and invincible sins) must be far away from us.

## STOP FEEDING YOUR FLESH

Interestingly the devil's name was never mentioned here, our flesh is the main enemy. The Moment the flesh is defeated or tame, The devil will be far away from you.

Therefore, Make no provision for your flesh!
